TRIBUTE TO THOSE WHO PUT OUT WILDFIRES

(Mr. GIBBONS asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GIBBONS. Mr. Speaker, as summer days get longer and hotter, the risk of forest fires continues to increase. Just last week a 1,500-acre wildfire burned in Pioche, Nevada. Dedicated firefighters kept the blaze from the small Nevada town, located about 190 miles north of Las Vegas.

Today I would like to echo the sentiments expressed by Lincoln County Sheriff's Sergeant John Wilcock. He said, "If it hadn't been for the quick response by volunteer firefighters and the BLM, the town could have been gone."

Thank you to all of our Nation's firefighters who risk their own lives every day to save the homes and lives of others. As a proud resident and Representative of a Western State, I know firsthand the unique challenges our firefighters face in preventing and putting out wildfires. Nevadans value your work, your commitment and your heroism.

ENRON CORPORATION RUN FOR FUN AND PROFIT OF TOP EXECUTIVES

(Mr. GEORGE MILLER of California asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. GEORGE MILLER of California. Mr. Speaker, as Americans picked up their newspapers this morning, they once again learned that the Enron Corporation was run for the fun and profit of its top executives, not for the benefit of the energy market, and certainly not for most of its employees.

In the year that Enron was failing and heading toward bankruptcy, 140 of its top executives took out almost \$800 million in bonuses; \$800 million, which is about the same amount as its 20,000 employees lost in their 401(k) retirement plans; \$800 million that those people will not have for retirement, but which these 100 executives will have for the rest of their lives.

As the Republicans talk about privatizing the Social Security system and insisting that everybody go into the equity markets with their own little account, they had better understand that corporate America is not running this system for the benefit of the shareholders. Corporate America is not running the system for the benefit of the corporations. They are running it for the benefit of the executives, those executives that took out \$800 million on the eve of the bankruptcy at Enron Corporation.

SENIORS NEED DRUG BENEFIT NOW

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, Americans have sent a clear message to Congress: Seniors need a prescription drug benefit now. We can no longer rely on rhetoric and empty promises. We must take action now to make sure that seniors receive help.

Now, thanks to the leadership of Republicans, we have a prescription drug benefit plan that not only provides for a long-term permanent benefit, but also makes sure that relief is given now in the short term.

This is a plan that does not discriminate between different groups of seniors, as everyone should have access to the prescription drug if they choose to use it. And the most important part of this plan is that it provides options. We will give seniors real choices to make sure they get a plan that best suits their individual needs.

Many on the other side of the aisle want to make this a partisan issue. They offer up plans that have no basis in reality, calling for a \$800 billion program with no way to fund it. This is politics as usual, rhetoric with no results.

The Republican prescription drug benefit is a responsible and realistic plan, and we can get it to our seniors now.

PROVIDING SENIORS PRESCRIPTIONS AT AN AFFORDABLE PRICE

(Mr. MENENDEZ asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. MENENDEZ. Mr. Speaker, they built this Nation, raised their families and fought for our freedom, so no senior in this country, not a single one, should be without the prescription drugs they need to stay healthy.

Every senior deserves access to the prescriptions they need at an affordable price. We do that in our plan. Republicans do not. That is what we Democrats are fighting for.

If we controlled the House, we would pass a bill to cover all seniors, not just some, but all seniors today. In fact, we would have passed a bill years ago, but almost 8 years after Republicans took control of the House, they still refuse to give all seniors the coverage they deserve.

Why is that? The sad truth is that Republicans would rather protect 100 percent of their special interest friends and leave millions of seniors without the coverage they need, and that is a sorry, inexcusable disgrace.

Let us have what Democrats are proposing. Let us have a vote on this floor for a universal, affordable, voluntary prescription drug program for America's seniors.

MEDICARE PRESCRIPTION DRUG BENEFIT AND DISCOUNT ACT

(Mr. DAVIS of Illinois asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. DAVIS of Illinois. Mr. Speaker, the House Democratic prescription drug proposal is a real one. It provides a solid \$25-a-month premium cost, a \$100-a-year deductible, coinsurance. Beneficiaries pay 20 percent, Medicare pays 80 percent, an out-of-pocket limit of \$2,000 per year per beneficiary, and low-income beneficiaries with incomes of 150 percent of poverty will pay absolutely nothing.

This is a real plan, a plan that benefits all of the people. Let us pass it.

BRING KIDNAPPED AMERICAN CHILDREN HOME

(Mr. LAMPSON asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMPSON. Mr. Speaker, I have taken to this floor every day now this year to come here to remind the American citizens of Ludwig Koons, who was abducted from the United States of America in 1994. He is now, I think, 9 years old, and he is still a citizen of the United States who is illegally out of our country.

I placed a phone call to our Secretary of State. A staff person called me back. I placed a phone call to the Ambassador to the United States from the Vatican. They have not even bothered to return my phone call. I have placed a phone call, many phone calls, I might add, to all of these people, including the Ambassador of Italy to the United States. I have talked with him, yet nothing yet seems to be moving.

The issue is not about Ludwig Koons, it is about the 1,000 children who are taken out of our borders each year illegally. They are all citizens of this country and pledge allegiance to our flag.

Where is our government? Why are we not turning to those children and doing anything, anything, necessary to return them to our land? Bring our children home.
